

THANKING GOD IN FELLOWSHIP – T.G.I.F.

TGIF is open to all ladies in the church. We meet once a month for a meal or outing together. We have taken care of the food pantry and supplied food for the sick and shut-ins who need food. We would like to thank everyone for their food donations.

We had a mother-daughter banquet in May. All had a good time, and we had a great turnout. We also have donated toward the American Cancer Society, taken part in the Relay for Life walk, and provided names for five families to receive Thanksgiving meals through FISH.
